

Let's go

Cisco Partner Roundtable Colombo 2024

Dear Partner,

For forward thinking organizations that are actively transforming their operations, aligning technological needs with business objectives is critical. As a senior executive at one of our top partner organizations, you have a great opportunity to drive your clients network transformation.

While they are looking for the right technology solutions to create and sustain a smart, efficient network, you are strategically positioned to recommend Cisco's next gen solutions. These solutions can be catalyst in their transformation driving better business results - designed with a focus on operational efficiency, seamless experiences.

Key highlights:

- Discover current market scenario
- Identify new revenue growth opportunities.
- Connect with Cisco's senior experts over a networking dinner

04:00 pm
onwards
