

Join us at Accel India's Premier Cybersecurity Summit

I am thrilled to extend a personal invitation to you to attend Accel India's inaugural cybersecurity summit on the 25th of July in Bangalore. This event promises to be a landmark gathering of the brightest minds in the cybersecurity domain, including Founders, CISOs, and Security Operators.

Cisco will be at Accel Cybersecurity Summit 2024 showcasing our most comprehensive security platform portfolio. We are pleased to have Mr. Raj Chopra, SVP and Chief Product Officer, Cisco Security, talking about how Cisco continues to innovate in the cybersecurity space.

In addition, this Summit is a great platform to network with security thought leaders and witness firsthand the latest advancements that can empower your organization to thrive in a landscape marked by sophisticated cyber threats.
